**SPECIAL EVENT AND RETREAT CENTER OPENS
with New Business and Non-profit Services**

(Lake Clear NY.) Hohmeyer's Lake Clear Lodge & Retreat announces the grand opening of a new Lake-view Retreat Center as part of its 25 acre destination facility. Two years in the making the *Lake-view Retreat Center* is a green building hand-crafted from wood on the property and built exclusively by the Hohmeyer family and local craftsmen. "We are pleased to offer a special events and conference facility" announced Cathy and Ernest co-owners of Lake Clear Lodge and Retreat. "This facility enables us to become a complete destination, now offering lodging, dining, and a place for special events. More importantly the *Lake-view Retreat Center* gives us the opportunity to develop our dream of creating holistic living programs. Over the next several months we will be offering unique, educational and fun activities for your special event from team building cooking classes, wine and beer tastings from the Adirondacks only handcrafted Wine and Beer Keller to winter sleigh rides!"

"We envision the *Lake-view Retreat Center* as a place for inspiration, to meet, retreat or celebrate. It also continues the St Regis Wilderness region's role as a place for inspiration from the Philosophers Camp of Longfellow and Thoreau to Lake Clear where Einstein contemplated" continued the Hohmeyer's.

The *Lake-view Retreat Center* offers full 21st century amenities for meetings and special events with an integrated video and sound system, wifi, and full catering.
